Honors	Academic	FCCTI
8 Credits	8 Credits	7.5 Credits
<p><b><u>Grade 10</u></b>            Honors English 10            Chemistry            Honors World History            Aquatics            Mathematics Course(s)            Electives</p>	<p><b><u>Grade 10</u></b>            Academic English 10            Biology 10            Academic World History            Aquatics            Mathematics Course(s)            Electives</p>	<p><b><u>Grade 10</u></b>            Academic English 10            VT Biology            VT World History            Aquatics            Mathematics Course(s)            FCCTI</p>
<p><b><u>Grade 11</u></b>            AP Language            Physics or AP Chemistry or            AP Biology            AP American History            Physical Education/Health            Mathematics Course(s)            Electives</p>	<p><b><u>Grade 11</u></b>            Academic English 11            Chemistry or            Applied Chemistry            Academic American History            Physical Education/Health            Mathematics Course(s)            Electives</p>	<p><b><u>Grade 11</u></b>            Academic English 11            Chemistry or            Applied Chemistry            VT American History            Physical Education/Health            Mathematics Course(s)            FCCTI</p>
<p><b><u>Grade 12</u></b>            AP Literature            AP Physics or AP Chemistry or            AP Biology            AP Psychology            Physical Education/Health            Mathematics Course(s)            Electives</p>	<p><b><u>Grade 12</u></b>            Academic English 12            Science Course            1 Credit of Social Studies            Physical Education/Health            Mathematics Course(s)            Electives</p>	<p><b><u>Grade 12</u></b>            Academic English 12            1 Credit of Social Studies            Physical Education/Health            Mathematics Course(s)            FCCTI</p>

### Reminders:

- *Be mindful of graduation requirements. For example, request Computer Applications I if you haven't successfully completed the course. Physical Education/Health class or Aquatics class is mandatory each year.*
- *It is recommended that college bound students schedule two years of a foreign language. This is not a high school graduation requirement.*
- *Please organize your course requests on your scheduling sheet before entering them into the system. All students' must schedule a total of 8 credits each year, unless they attend FCCTI. Students that attend the FCCTI must schedule a total 7.5 credits.*
- *Students that plan on attending FCCTI for the first time must complete an application on the CTI website as soon as possible. The application is available at <https://fayettecti.org/applications/>.*
